Burntwood Offers:

- A broad and balanced curriculum
- Excellent examination results above the national average
- A secure environment
- The opportunity for all students to attain their full potential
- 71 Selective Places
- Programmes for Gifted & Talented students and for students with Special Educational Needs
- A wide range of Extra Curricular activities that include Master Classes
- Setting by subject from Year 7
- A wide selection of courses in the Sixth Form including AS/A2 and applied/vocational courses
- Impressive sports facilities; include 3 gymnasiums, a large sports field, floodlit tennis court and a large heated swimming pool
- Brand new sports facilities (from Jan 2012) Maths and Science accommodation and purpose built specialist accommodation and Performing Arts spaces (Sep 2013)
- Newly provisioned ICT facilities throughout the school as part of the prestigious buildings programme

Please see our website for more details, visualisations of the new school and photos and videos of the current building works

We are holding open sessions on three occasions only:

Wednesday 5th October 6.00 - 8.00 pm

Thursday 6th October 9.00 - 11.00 am

Tuesday 18th October 9.00 - 11.00 am

On each of these occasions we will arrange for visitors to see the school and the Principal will give a short address and answer questions about Burntwood.

'THE BEST EDUCATION TODAY FOR THE WOMEN OF TOMORROW'
